Little Lambs Preschool is a ministry of Good Shepherd Lutheran Church and is part of Good Shepherd Lutheran School (K-8). The school exists to help parents raise children (Ephesians 6:4), mature in body, mind and spirit who are fully equipped for good works in this life (2 Timothy 3:16-17) and to foster faith enduring to eternal life by sharing God's word in a Christ centered environment. Students learn social skills, are prepared for kindergarten, and learn about Jesus and the Christian faith in a fun and age appropriate way.

Little Lambs Preschool accepts children age three to five. Admission is open to all without any discrimination based on ethnicity, nationality, language, religion, etc. The child must be age three before beginning classes and toilet trained. Each child must have a current physician signed medical form on file before the beginning of the school year. All required immunizations must be up to date at that time.

Depending on the size of enrollment demand, several class options are offered. Younger children often attend the two days per week classes, and older children three days per week.
