

Walk-A-Thon Service Project

Land of Memories Park, Mankato

I'm a student at Good Shepherd Lutheran School, North Mankato, MN.

We are holding our 3rd annual Walk-A-Thon Service Project to benefit our school. The funds raised for this service project will help my individual classroom, as well as the entire school. Our school depends upon fundraising to support our mission and this is a very important fundraiser. I am asking for your help.

Saturday, October 24, 2009

With the rest of my school, I will be walking and beautifying the Land of Memories Park in Mankato, MN. With our effort we want to engage as an entire school in enhancing Mankato, promoting community service, and being good stewards of God's creation.

Would you consider helping us by including a donation? You can enclose a check and make it payable to "Good Shepherd Lutheran School". I need to turn in the money I have raised by Monday, November 30, 2009.

Thank you for your consideration of my request!
